**Subject:** Microsoft Settlement

As a private U.S. citizen who has no direct interest in the Microsoft Antitrust Case, I urge you to find that the current settlement is indeed in the public interest. The Tunney Review phase should be the among the final steps taken in this drawn out process that has hard consumers, Microsoft shareholders, and the objectivity of the federal and state governments. Please end this matter and approve the settlement in the final report and recommendation to the court.

Thank you,

Paul J. Gessing
